

BEACONSFIELD SCHOOL

A BEACON LIGHTING THE PATH OF EXCELLENCE AND WELLBEING

2020-2023 Strategic Plan

OUR STRATEGIC THEMES

Community Partnerships

Innovative Future Focused Learning

Wellbeing

OUR STRATEGIC GOALS

Develop consistent and strong partnerships to ensure resources support the achievement of our goals

Innovative thinking is used to develop amazing learning opportunities for the staff and children

The Beaconsfield Curriculum is adaptive, exciting, and reflects the future, our children and our area

To see staff and children happy, healthy, engaged and flourishing

OUR SUCCESS

Our partnerships are strong and our goals are not adversely affected by resources

The children and staff are challenged and excited about the opportunities that present themselves

Our curriculum is relevant, celebrated and recognized as a Beaconsfield Curriculum which ensures our children continue to push for their next excellence

Staff and children are positive and engaged with school

OUR STRATEGIC INITIATIVES

- School roll sits between 101 and 126
- Specific marketing to relevant groups
- Beaconsfield making connections through being seen at school events, public events and Early Childhood Centre's

- Staff Development to establish what is innovation and what does it look and feel like
- Appraisal process and reviews related to innovation

- Establish our Agricultural Curriculum and Programme
- Professional Learning for staff to support them and develop confidence
- Formalize specific connections with agricultural community

- Establish a common language and understanding of what Wellbeing is
- Identify skills/knowledge gaps in staff and children
- Develop and embed Wellbeing programme at school

Beaconsfield EXTRA Values

Respect, Excellence, Cooperation, Curiosity, Creativity
