Our Goals

Grow and develop consistent and strong relationships to ensure the achievement of our goals.

The Beaconsfield Curriculum is innovative, adaptive, exciting, forward thinking and reflects our children and our rural area

To see the staff and children happy healthy, engaged and flourishing

What success will look like

Our partnerships are strong and our goals are reached

Our Curriculum is innovative, relevant, understood and recognised as the Beaconsfield Curriculum that supports and inspires our children as they push for their next excellence

Staff and children are positive, engaged and proactive with school and their wellbeing

Our Initiatives

- Establish and support positive ECE connections
- Events held at school involving the school and wider community
- The school will “give back” to the community during the year
- Beaconsfield attends public and educational opportunities

- Invest in outside PLD to guide our Local Curriculum development
- Professional Learning for staff to support them and develop confidence
 - Develop our own Agricultural Programme
- Professional Growth Cycle supports innovation in the curriculum

- Share supports that can be used for the support of themselves and others
- Develop and embed the character strength of resilience and the confidence to ask for help
- Undertake regular reviews on Wellbeing and engagement
