Beaconsfield Calendar

13th June Term 2 Week 7

Principal's Newsletter Commentary – Term 2, Week 7

Afternoon everyone,

As we move into winter, the rain, frosty mornings and chilly winds have certainly made their presence felt! Despite the weather, there is a real warmth and energy around Beaconsfield School at the moment, with our students rising to the challenges and opportunities that this term brings.

A huge congratulations to all those who represented Beaconsfield at the South Canterbury Primary Schools Cross Country. The conditions were tough, but our kids showed grit, determination, and pride in wearing the Beaconsfield colours. It's never easy competing at that level, but our students ran with heart and uphold the values of: perseverance, fair play, and supporting one another. We are proud of them all. A special thank you to the parents and caregivers who braved the cold to support our runners—your encouragement means a lot.

Looking ahead, we're thrilled to announce that preparations are well underway for our school show, Star Warts – The Umpire Strikes Back, coming this August! This year's production is packed with humour, music, and a bit of galactic silliness. It's a fantastic opportunity for our students to step into the spotlight, build confidence, and be part of something bigger than themselves. From set design to singing and acting, every child has a role to play, and we can't wait to share it with you.

Productions like Star Warts aren't just about the performance night—they're about the journey. They offer students a chance to grow in creativity, teamwork, and resilience. For some, it's the first time speaking in front of an audience. For others, it's a chance to shine in a new way. What's most important is the sense of belonging and accomplishment that comes from creating something together.

As always, thank you for your ongoing support. Whether it's helping with costumes, learning lines at home, or simply showing up to cheer on our kids—your involvement makes a big difference.

Keep warm, stay well, and we look forward to seeing you at Star Warts in August. It promises to be out of this world!

See you around school.
Hamish

Pie Warmer Terms 2 & 3

Please ensure your children's pie warmer items are defrosted, otherwise they will not be hot enough by lunchtime.
Thanks!
