Parent Information Booklet

A Beacon Lighting the Path of
Excellence and Wellbeing

Beaconsfield School

Dear Parents and Caregivers,

The Beaconsfield School Board of Trustees, Parent and Teacher Association and staff would like to take this opportunity to welcome you to Beaconsfield School.

We are a wonderful school in a wonderful setting with a fantastic mix of awesome children, an amazing school environment, passionate and dedicated staff and a future thinking Board of Trustees.

Everyone in this mix is helping to ensure that each child has the best opportunity to succeed as an academic, sportsman, artist and a citizen.

We are proudly a small country school. With approximately 115 children each one is an individual, not a number. Everyone is involved and needed in the school. We cater for the individual, not the group and the staff are continually searching for ideas and skills to help us improve our teaching and learning.

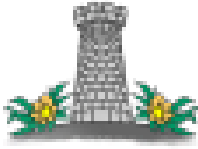

We embrace and are proud of our history but are forward thinking with a mind set on the future and how we can prepare the children the best for what their dreams and passions will be.

We thank you for taking the time to enquire about Beaconsfield School and please, if you have any comments or any questions please contact myself or anyone mentioned in this booklet.

We look forward to seeing you around Beaconsfield School and helping your child chase their dreams.

Yours sincerely

Hamish Brown
Principal

Behaviour Management

Rules in the school are based on important needs:

- Students gain the greatest advantage from the educational opportunities offered by the school.
- The need to be in an environment that allows children to take full advantage of the educational opportunities offered.
- The physical and emotional well-being of students.

The staff and Principal reserve the right to make and enforce such rules as they believe are necessary for the safe and satisfactory running of the school. The school expects a high standard of behaviour from all students, either at school or when attending school organised activities outside the school. Cooperation between the home and school is essential for the development of positive behaviours.

Lost Property

Please name ALL of your children's clothing and property. There is a lost property box outside the staffroom. Please check here if your child has lost any items. Named items are easy to return.

New Enrolments

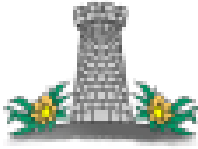

New enrolments are very welcome at Beaconsfield School. We usually have 10 new five year olds joining our New Entrant class with Mrs Bell over the year.

Please contact Mrs Bell well in advance of your child's 5th birthday so she can arrange transition visits for your child to begin gaining confidence in the school/class surroundings and the daily routines.

When our New Entrants enter our school they are classified as follows:

- Birthdate after April 1st = Year 0
- Birthdate before April 1st = Year 1

Due to our commitment to keeping the junior class low there will be pupils pushed through from Room 1 to Room 2 and Room 2 to Room 3 at various times throughout the year depending on our new entrant intake and numbers.

Parents will be informed well in advance of any class changes so pupils are prepared.
