30 July - Term 3 Week 2

Principal's Message

Kia Ora

Welcome back to all our students, staff, and whānau. I hope everyone enjoyed a well-earned holiday break and had the opportunity to spend quality time with family and friends. Holidays often provide a chance to slow down, recharge, and prepare for another exciting term of learning. It is great to see our classrooms once again filled with energy and smiling faces.

Term 3 has a wide range of learning opportunities, sporting events, cultural activities and community events. I encourage everyone to keep a close eye on the school calendar, our newsletters, and Hero notifications to ensure you don't miss any important dates (link at the top of this newsletter) as there is certainly plenty to look forward to.

One of the highlights from last term was the outstanding performance of our AgriKids team at the National Finals. We are incredibly proud to celebrate Tessa, Angua and Hunter achieving 3rd place in New Zealand—an exceptional accomplishment and a testament to their knowledge, teamwork, perseverance, and commitment. Representing both Beaconsfield School and Aorangi on the national stage is something very special. Congratulations also to the families, local people and supporters who helped our team prepare for this wonderful achievement.

We have continued with an exciting piece of work that will help shape the future direction of Beaconsfield School. Over recent months we have been reviewing and refining our school vision to ensure it reflects who we are as a community and where we want to head. Thank you to everyone who has contributed ideas and feedback so far. Your voice is helping us create a vision that celebrates our rural heritage and how we prepare our learners with the knowledge, skills, and values they need for the future. We look forward to sharing the next stage of this work with you later this term.

As always, our focus remains on providing high-quality teaching and learning while ensuring every child feels known, valued, and challenged. Alongside our literacy and mathematics programmes, students will continue to enjoy the rich experiences that make Beaconsfield such a special place—from agriculture and environmental learning through to sport, the arts, leadership, and outdoor education.

Thank you for your ongoing support of our wonderful school. Strong partnerships between home and school make a tremendous difference to our children's success. We look forward to another fantastic term of learning, achievement, and community together.

See you around school.
