

Principal's Message,

Kia Ora,

Last week, six groups of our students proudly represented Beaconsfield School at the EPro8 Challenge at St Joseph's School. The teams demonstrated fantastic teamwork, creativity, and problem-solving skills throughout the competition.

Most importantly, the students represented our school values with pride. Their manners, encouragement of others, and positive attitude were noticed by adults and students alike. They were a real joy to watch and should be very proud of the way they conducted themselves during the event.

Opportunities like EPro8 allow students to challenge themselves, think creatively, and work collaboratively under pressure. It was wonderful to see our students embracing these challenges with enthusiasm.

As the temperatures begin to drop, we are looking ahead to our upcoming Cross Country event. Cross Country is always a highlight on the school calendar and a wonderful opportunity for students to challenge themselves, show perseverance, and support one another. While not every student finds running easy, learning to embrace challenges and keep going when things become difficult is an important life skill. We encourage all students to give it their best effort, have a positive attitude, and celebrate improvement and participation.

Students have already begun training at school, and it would be helpful if they could continue building fitness outside of school through walks, runs, or active play.

With colder weather arriving, please ensure children come to school with warm clothing, including jackets, jerseys, and appropriate footwear. Naming clothing clearly also helps items find their way back home.

Hamish

After School Pick Up

Principal

This is a reminder that with the large number of pickups, for the safety of the children and to help us with knowing where everyone is, they are required to wait by the van tree until they are picked up. They are not to wait by the roadside. The children must leave via the path by the turf, not the Hall Staff car park. Thank you for helping with this.

Understanding Your Child's School Report

What do the progress descriptors mean for reports?

Mid-Year Reports

EMERGING & DEVELOPING

Not yet on track to meet expectations

CONSOLIDATING, PROFICIENT & EXCEEDING

On track to meet expectations

End-of-Year Reports

EMERGING, DEVELOPING & CONSOLIDATING

Has not yet met expectations

PROFICIENT & EXCEEDING

Has met expectations

We value progress, celebrate growth, together.

For use from 2026 onwards

As per MOE expectations we are changing our reporting to parents.

Here is some information for you around what you will see and what that means.

We will again release the reports during Week 9 and have conferences on Week 11 of this term.

Please be aware that it is a full system change so it will be very challenging to compare 2025 with 2026.
