

Beaconsfield Calendar

13 August - Term 3 Week 4

Principal's Message

Kia Ora

It is hard to believe how quickly the term is moving, with plenty happening at Beaconsfield over the coming weeks.

Science Fair

Our Science Fair is on this week, and it is always fantastic to see the curiosity, creativity and problem-solving our students bring to their investigations. Science Fair provides a wonderful opportunity for children to ask questions, test ideas, make discoveries and explain their thinking. The teachers have enjoyed seeing the projects come together and letting everyone celebrate the learning and effort that has gone into them.

Wheels Week

We are also looking forward to Wheels Week next week! This is always a very popular part of our school. Please make sure helmets and wheels are checked and ready to go!

Winter Colds and Flu

As we move through winter, we are continuing to see the usual colds, flu and winter bugs circulating through our community. Thank you to families for keeping children at home when they are too unwell to attend school and participate in the class programme. This not only gives them the opportunity to recover properly but also helps reduce the spread of illness to other students and staff.

School Disco

Finally, thank you for supporting the children in attending the Disco. There were plenty of smiles and dancing with lots of glow to top it off and ensure everyone had a great time. Thank you to the PTA for running the event.

See you around the school.
