

BEACONSFIELD SCHOOL

A Beacon Lighting the Path of Excellence and Wellbeing

Beaconsfield Calendar

28th May - Term 2 Week 6

Principal's Message,

Kia Ora,

As we look ahead to tomorrow's Cross Country, there is a real sense of excitement and nervousness around school. Our students have been training hard, encouraging one another, and preparing themselves for what promises to be a great race on a great course. Events like Cross Country are about far more than simply racing to the finish line. They are about perseverance, resilience, and having the courage to keep going when things become challenging.

Cross Country often pushes us all outside our comfort zones. The hills feel steep, the legs get tired, the mud gets deeper and the colder weather can make it even tougher. Yet it is through these moments that growth happens. Every student who gives it a go, keeps moving forward, and supports others along the way should feel incredibly proud.

A reminder to all students to come prepared with warm clothing, suitable footwear, and a drink bottle. Staying warm and hydrated is an important part of performing well and enjoying the day... *eating BBQ sausages is not the best idea before a race so perhaps leave that till afterwards!*

Most importantly, we have been encouraging our students to embrace the challenge. Success is not always about coming first; often it is about persistence, determination, and discovering what you are capable of when things become difficult. We look forward to a sunny and enjoyable day at Cross Country.

A huge congratulations to our Year 7 & 8 team who recently took part in the EPro8 Challenge competition. We are proud to announce that our team were overall winners on the day! Which means they move onto the next round in Ashburton. Our Year 5&6 team did very well and were pipped at the post by only one point, ending up 4th in their competition.

The students showed outstanding teamwork, creativity, communication and perseverance as they tackled a range of engineering and problem-solving challenges under pressure. Their ability to work together, think critically and remain positive throughout the competition was fantastic to see.

Thank you also to the staff who help make these opportunities possible. Well done team — an outstanding effort!

Hamish

Principal

Understanding Your Child's School Report

What do the progress descriptors mean for reports?

Mid-Year Reports

EMERGING & DEVELOPING

Not yet on track to meet expectations

CONSOLIDATING, PROFICIENT & EXCEEDING

On track to meet expectations

End-of-Year Reports

EMERGING, DEVELOPING & CONSOLIDATING

Has not yet met expectations

PROFICIENT & EXCEEDING

Has met expectations

We value progress, celebrate growth, together.

For use from 2026 onwards

As per MOE expectations we are changing our reporting to parents.

Here is some information for you around what you will see and what that means.

We will again release the reports during Week 9 and have conferences on Week 11 of this term.

Please be aware that it is a full system change so it will be very challenging to compare 2025 with 2026.

BUS BAND

- We have all the equipment and instruments on board. You get to experience Keyboards, Ukelele, Guitar, Bass, Drums and Singing. You can try a few instruments before you settle on one.
- It's in school time, Primary school students pop out of class for 30 minutes per week and for the first few terms in a group minimum 3 maximum 6.
- As students become more competent it will be time to advance to one to one lessons at the studio after school.
