

Beaconsfield Calendar

27 August - Term 3 Week 6

Principal's Message

Kia Ora Everyone,

There is plenty happening at Beaconsfield School at the moment, with some exciting learning opportunities, developments around the school, and chances for our children to get involved and make a difference.

Writers' Week is a fantastic opportunity to put writing in the spotlight and encourage our children to see themselves as authors. Across the school, students have been exploring ideas, playing with language and developing their ability to communicate through writing. Mrs Cooper has led the ideas and tasks and it has been great to see the creativity, imagination and enthusiasm that comes when children are given opportunities to write for a real purpose and audience.

We are also looking forward to the Science Fair at Timaru Boys' High School. This Science Fair provides our students with the chance to question, investigate, experiment and explain the world around. They have done this at school and now they will do that to a selection of judges and students from Ashburton to Oamaru. Events such as the Science Fair are an important opportunity for children to share their learning beyond the classroom and see what other young scientists have been investigating.

One of our biggest developments is the Board choosing to build the school a new library. We are looking forward to creating an inviting, modern area at the heart of our school. We want it to be much more than a room full of books. Our goal is a space where children can read, research, collaborate, create and enjoy learning. We are excited to watch it take shape.

After several rounds of consultation with our staff, community, kids and the board, our refreshed school vision was decided at the last Board meeting.

BELONG • BELIEVE • BECOME

These three words capture what we want for every child at Beaconsfield. We want our children to:

- **Belong** – to feel known, valued and connected.
- **Believe** – in themselves, in others and in what they can achieve.
- **Become** – confident, capable young people who are ready for whatever they make their future.

The logo and images that accompany this vision are currently in development.

And finally, our potatoes are being grown! This year Chris has taken the lead and the potatoes are to be grown above the soil. We look forward to seeing what this year's harvest produces.

There is certainly plenty happening – and plenty more to look forward to!

This week in our school photo album...

'Writer's Week' led by Mrs Cooper has been in full swing with lots of creative prompts to get little imaginations going.

Also this week was Room 3&4's outing to the Lake of Spode.
