Beaconsfield Calendar

23 October - Term 4 Week 2

Principal's Message

Kia ora everyone,

Welcome back to Term 4! I hope everyone enjoyed a fantastic holiday, with plenty of opportunities to relax, recharge the batteries and spend time with family and friends. It has been great having the warmer weather and seeing the children return to school, ready for what promises to be another busy and exciting term.

Term 4 is always a particularly full time of year, with plenty of learning, sporting events, celebrations and end-of-year activities. I encourage you to keep a close eye on the school calendar (the link is above) so you know what is coming up. If you are ever unsure about dates, times or arrangements, please don't hesitate to ask.

Unfortunately we were beaten by the weather for Pet Day, however we will see if we can squeeze it in, in some form, later in the term.

There is certainly plenty happening around the school grounds! Our new library build is progressing, and work on the swimming pool heat pump will be completed this week. Both projects represent significant improvements to our facilities and will provide lasting benefits for our children.

As we head into a term filled with exciting opportunities, it is also a good time to remind them that having special events and activities is something to value and appreciate.

These experiences are a wonderful part of school life, and we want every child to have the opportunity to enjoy them. With these opportunities comes the responsibility to make positive choices, show respect for others and demonstrate the values we encourage every day at Beaconsfield. We appreciate the support of our families in reinforcing these expectations and helping our children make the most of everything on offer.

See you around school.

Hamish Brown
Principal
